

What have we done lately?

Free CEUs

We offer at least 12 webinars annually for members AND a library of recorded webinars.

Reduced Cost Trainings

We provide cutting edge training in classroom settings at discounted rates.

Legislative Advocacy

We have a dedicated lobbyist and we achieved Direct Access for Occupational Therapy.

Practice Support

Our practice team fields questions and offers support to help your practice.

“ WOTA promotes my profession, helps protect my ability to practice and assures regulations are in place for me to get paid for what I do. Supporting and being engaged with my statewide association is my professional duty.”

Wayne Winistorfer
WOTA Member Since 1975

There are so many reasons to be a WOTA member:

- Our webinar program won a national award for continuing education.
- WOTA helped stop a bill that would end the OT and OTA licenses. We won a national award for our legislative advocacy.
- WOTA successfully advocated for a rule change in COTA Supervision, saving jobs, and increasing patient access to Occupational Therapy.

“ WOTA's lobbying efforts are invaluable. Without a voice at the Capitol, we would not be where we are today and may not continue to be a reimbursable profession in the future. Membership is definitely worth every penny to me!”
